

CENS Tech Camp

When: Wednesday, June 28th – Thursday, June 29th

Where: James Reserve Idyllwild, CA
54445 North Circle Drive
Idyllwild, CA 92549
909-659-3811

CENS Tech Camp is designed to expose CENS summer interns to CENS technology being used in the natural environment. This trip to the CENS test bed site at the James Reserve will give you a hands-on opportunity to work with CENS technology.

Schedule:

Wednesday (6/28/06):	9:30	Meet at CENS Office
		Load Vans
	10:00	Leave UCLA for James Reserve
	12:00 – 1:00	Arrive James Reserve
		Unload – get settled & Lunch

	12:00 – 1:00	Lunch/ Clean-up
	1:00 – 3:30	Leave the JR for UCLA

We will meet at the CENS office in Boelter Hall 3563 at 9:30 am and leave for the James Reserve (CENS test-bed site) shortly thereafter. We will provide you with sleeping accommodations and meals. You can pack one small overnight bag for the trip. Please check the James Reserve website (<http://www.jamesreserve.edu/factoids.html>) for more details regarding the facility accommodations. Please plan to bring a long sleeve shirt and pants to protect yourself from mosquitoes. You should also pack closed-toed walking shoes to hike around the reserve. We will arrive back at UCLA at approximately 5 pm Thursday, June 29th (depending on traffic).
